# TREVOR SIEMIAN

Trevor Siemian started the 2016 NFL season on fire, but has since cooled off dramatically. And having assumed the starting role from the retiring of future Hall of Famer Peyton Manning, the money grabbing Brock Osweiler and beating out the former model Mark Sanchez, we ask the question... is he any good?

Name: Trevor John Siemian

Height: 6'3"

Weight: 220 lbs.

College: Northwestern

Drafted: 7th Round, 250th Overall Pick in the 2015 NFL Draft

### ↗ STRONGSIDE

Soaked up all the knowledge he could in the fleeting time he had with Brock Osweiler

Naturally athletic build is ideal for absorbing blunt force trauma

Jersey sales already rank in top 20 of the entire Broncos roster

Intact vertebrae quickly won him respect of teammates

Still has 15 years of NFL eligibility left

Hasn't given public reason to hate him as a human being yet

### ↖ WEAKSIDE

Seven-step drop renders him unconscious from Mile High oxygen deprivation

Plays with the confidence of someone with Northwestern degree to fall back on

Has yet to learn difference between coach Gary Kubiak's happy scowl and angry scowl

Needs more time to mature into full-fledged disappointment

Learned kick-holder duties for nothing

Still enjoying little honeymoon phase before defenses get enough game tape to destroy him

*Former High Profiled  
Quarterback  
Mark Sanchez*

# ***Mark Sanchez: “F—k it, I’ll try baseball, too”***

*DALLAS—Cowboys backup quarterback Mark Sanchez informed head coach Jason Garrett and team president Jerry Jones today that he is going to give professional baseball a try. The former Jets starter said he made the decision because his NFL career is on the downswing and he is inspired by the success his former NFL backup, Tim Tebow, has had in his short baseball career.*

*“I was just like: ‘Fuck it, why not?’” Sanchez explained to reporters this afternoon. “In the last few months, I got dumped by a team that signed Chase Daniel and then drafted a guy from North Dakota State, got beaten out for a starting job by someone called Trevor Siemian, and then couldn’t play here in Dallas over a 4th Round pick when Tony Romo got hurt. Obviously football isn’t the career for me. I need to try something else.”*

*Sanchez last played baseball at Mission Viejo High School in California and is the same age as Tebow at 29.*

*“If he got signed, why can’t I?” said Sanchez. “Don’t forget that I beat him out for the quarterback job with the Jets, so I should be thought of as the better athlete and get a bigger offer to sign with a major league team, right?”*

*But according baseball personnel people, Sanchez is much less likely to get signed.*

***“First off, the idea that he is better than Tebow was decided by Rex Ryan, so we can throw that right out as wrong,” said one MLB general manager.***

***“Also, from the marketing side, no one is going to buy a jersey with ‘Sanchez’ on it or attend a minor league game to see Mark Sanchez. You’ll get a few dozen to see if he can make an error off of someone’s butt maybe, but that’s it. He needs to be a legitimate baseball talent to get signed.”***

***However, there are reports that the Cleveland Indians are interested in signing Sanchez due to pressure from the Browns to get him nearby so they can use him as an emergency quarterback when Cody Kessler is inevitably shattered in an upcoming game.***

***As for Sanchez, he is dead set on giving baseball another shot.***

***“I’ll just show up to spring training with a hundred or so copies of my last spread in GQ Magazine and everyone will see that I still have the goods.”***

***“I’m looking the best I’ve ever looked in my entire life!”***

***The E.F.F.L. Beat Writers Bringing You Stories from Around The League!***

## ***Johnny Football's Nickname Revoked by NFL***

***After a string of immature, unprofessional and downright criminal incidents, Johnny Manziel has been stripped of his right to associate himself with football by the NFL. The infamous party animal/misogynist is now left with a gaping maw where his identity used to reside, at least in his own head.***

***Initially it was suggested that they might let Manziel change his name to Roger Goodell Jr. and claim the title of "the Second Most Hated Man in Football", but the league ultimately decided to cut ties with the embattled idiot altogether.***

***An unnamed NFL representative spoke to the matter, "He can be Johnny whatever the hell else he wants, but he's not Johnny Football." Fans and detractors have thrown out a number of new alternative personas for Manziel to explore.***

***"If Johnny wants to continue basing his image on his career "Johnny Jumpsuit" is looking like his next best option," one fan suggested. "Johnny Jerkwad" and "Johnny Jailbait" were also popular suggestions. One Pittsburgh Steelers fan suggested Manziel go with "Johnny Cleveland" because, "he can celebrate his home town and probably share in the legacy of being a perpetual loser for the next couple decades."***

***Whatever his ultimate fate becomes, it is clear that Johnny Manziel's days as Johnny Football are well behind him.***
